

Fireflys

a beautiful kaleidoscope of lights

Since its birth in 2003, fireflys has performed in more than 100 shows in various functions, concerts, festivals, arts events and charities overseas and locally.

Bahrain • Borneo • Cambodia • India • Malaysia • Philippines • Singapore • Thailand

Voted as the **Best Act in 'the Arts on the Move' in the Singapore Arts Festival 2005**, Fireflys transforms fire art into theatrical landscapes with sheer artistry and dance movement. This distinctive style allows for diversity of expression and flexibility in execution for your event.

UV Performance: Stage

Always breaking new ground, Fireflys is one of Singapore's pioneer groups to venture into UV shows. Drawing their inspirations from emerging trends in the natural world, theatre, neon colours and dance movements, fireflys **paints a beautiful landscape of celestial colours.**

From:

\$2,500.00**

Duration: 7 -10 minutes

No. Performers: 4 - 5

For the best effect, this act requires the venue to be as dark as possible, almost likewise a black box, with strong UV lights.

** Terms and Conditions

- All price quoted are in Singapore dollars, unless otherwise stated.
- These are based on existing portfolio of work of the fireflys and for an engagement.
- Additional cost will incur if performance date falls on public holiday and the eve of public holiday.
- Additional cost will incur for special request of previews, rehearsals and choreography or tailored segment(s) to a specific theme.
